### Our Mission Statement

We believe our mission includes assisting parents in the development of their children. Our dedicated and committed Teachers ably provide guidance with numerous opportunities for the growth and development of each child. Our school offers young children a setting in which to grow, to learn, and to develop spiritually, physically, intellectually and socially. It also offers children one of the best opportunities for achieving the goals of Success through education outside of the home.

### Our Philosophy

Lutheran Church of Our Savior Pre-School offers young children a Christian setting in which to grow, to learn, and to develop spiritually, physically, emotionally and socially by:

- encouraging the development of the whole child: helping him/her to feel secure in the love of God;
- encouraging the child in self-confidence and concern for others by encouraging cooperation in work and play and fostering a spirit of sharing;
- encouraging the child's innate sense of curiosity; developing her/his intellect through the use of hands-on experience.
- encouraging the development of motor skills through the use of proper play equipment for age and development level.
